With a Shot Gun.

Kepnedy, Ky., Nov. 8.—Quite a sensational episode occurred here Saturday afternoon. W. H. Carpenter, of Springfield, Tenn., and Miss Wilkins, of the Oak Grove neighborhood, were about to board the Clarksville train at this place to elope to Tennessee, when the girl's father appeared on the scene with a shot gun, separated the young people and forced the young man to go on to Clarksville alone. What objections exist to the marriage, cannot be learned.

DEATHS

BIGGERSTAFF.—Mr. Felix W. Biggerstaff, formerly chief of police of Hopkinsville, died Monday evening at his home near the city in the 67th year of his age. He was for about fifteen years a policeman in Hopkinsville and for about half of that time was at the head of the force, retiring in 1888. He died of an attack of flux and was only sick a few days. He leaves a family.

CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

Clarence Brown Acquitted—Struck on the Head—Game Law—New Dam Erected.

Sportsmen Will Be Happy.

The bird law expires next Monday, the 15th inst., and sportsmen will then be happy, as quail are more plentiful than for years. The birds are well grown and the sport promises to be fine. It will be lawful to kill them from Nov. 15 to Jan. 1.

Crushed Two Cars.

A local freight ran into a construction train on the I. C. near Marion Monday afternoon and the caboose and one flat car of the latter train were wrecked. The road was blocked for ten hours and the passenger train due here at 9:55 p. m. did not arrive until about 6 o'clock Tuesday morning. No one was hurt in the accident.

Fireworks Last Night.

Last night was the night for the grand fireworks at Mercer Park by the Due Fireworks Co., the date having been changed twice on account of the weather. The weather was fine yesterday, though a trifle chilly, and the affair was no doubt a success. We went to press before the display was made.

Struck With a Base Ball Bat.

Henry Watkins, a 14-year-old colored boy of Gracey, was struck on the head with a base ball bat Monday, by Minor Campbell, another negro boy, and was quite badly hurt. The two negroes had a quarrel while at school. Watkins was knocked senseless and it was thought for some hours that he would die from the effects of the lick, but he rallied and will recover. No arrests have been made.

Built a New Dam.

The Water Company has completed the erection of a new and larger dam some distance below the old one. It is 28 feet at the base, 13 feet high and 60 feet long and more than doubles the present capacity of the reservoir. Instead of 11,000,000 gallons the supply will hereafter be 25,000,000 gallons. The recent rains have raised the water only about 12 inches in the old reservoir and there will have to be some heavy rains before the company can turn on water to consumers.

The Case Was Dismissed.

The examining trial of Clarence O. Brown, charged with malicious shooting with intent to kill, was held before Judge Hanbery Wednesday afternoon and the case was dismissed. Brown entered a plea of guilty to the charge of carrying a concealed deadly weapon and was fined \$25. Brown and a negro porter named Ed. Bradshaw, had a difficulty on the morning of the election and Brown shot at the negro. The ball passed through his hat, but did no damage. The proof showed that Bradshaw was attempting to strike Brown with a chair when the shot was fired.

The Piano Sale.

The great factory price sale of Baldwin pianos now in progress at Hotel Latham will close in three more days. Col. J. H. Hopkins, who is conducting the sale, is a very pleasant and affable gentleman, and all who have attended his sale have been most pleasantly impressed with him. He is still offering a handsome assortment of Baldwin, Ellington and Valley Gem pianos and Hamilton and Monarch organs at retail factory prices. Do not fail to call in before the sale closes and secure a great bargain.

Renounces the Will.

Dr. E. C. Anderson on Wednesday filed with the County clerk a formal renunciation of the will of his late wife, Mrs. Susie S. Anderson. The notice says: "Now, the undersigned, E. C. Anderson, hereby relinquishes and renounces all claim to any part of the estate of said testatrix, as legatee thereunder; and hereby asserts his right and claim to such portions, both real and personal, of the estate of his said deceased wife, as he may be entitled to under the laws of the State of Kentucky, in the same way, and to the same extent, as if his said wife had died intestate."

Given under my hand, this, the 9th day of November, 1897.

E. C. ANDERSON.
Mrs. Anderson died Nov. 11, 1893.

A new social organization has been formed under the name of Queens of the Kitchen, with a number of well known ladies as members. The club will meet to-morrow with Mrs. Jas. M. Green, near the city, to perfect its organization, and will hold weekly meetings throughout the winter. Receptions, with good edibles, as the name implies, will be one of the features.
